CSBA POLICY GUIDE SHEET
March 2023

Note: Descriptions below identify revisions made to CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts and county offices of education should review the sample materials and modify their own policies accordingly.

Board Policy 0420.4 - Charter School Authorization

Policy updated to reference that, until January 1, 2025, the Governing Board is prohibited from approving a petition for the establishment of a new charter school offering nonclassroom-based instruction, and provide that a district under state receivership is not in a position to absorb the fiscal impact of a proposed charter school. Policy also updated to reference pending litigation brought by each of CSBA's Education Legal Alliance and Napa Valley Unified School District against the State Board of Education (SBE) regarding SBE's authority to reverse the denial of a charter school petition by making a determination that a board abused its discretion in denying the petition.

Administrative Regulation 0420.4 - Charter School Authorization

Regulation updated to reflect **NEW LAW (AB 740, 2022)** which extends to a foster youth's attorney and county social worker and an Indian child's tribal social worker, and if applicable, county social worker, required notifications regarding involuntary removal of a student, and provides that these individuals, with the addition of a foster youth's educational rights holder, have the same rights as a parent/guardian to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information. Regulation also updated to expand the material regarding (1) procedures for suspension or expulsion, including the requirement for written notice of the intent to remove the student and the right to initiate a hearing, and material related to processes for notification to the district when a student is expelled or leaves the charter school without graduating or completing the school year, and (2) the final audit when a charter school closes.

Board Policy 3555 - Nutrition Program Compliance

Policy updated to clarify that prohibited discrimination includes alleged discrimination on the basis of race, color, national origin, age, sex, sexual orientation, gender identity, or disability. Policy also updated to reflect United States Department of Agriculture CRD memorandum 01-2022, "Application of *Bostock v. Clayton County* to Program Discrimination Complaint Processing," which clarifies that prohibited sex discrimination includes discrimination on the basis of gender identity and sexual orientation. Policy also updated to include that complaints against a program operator that is not an educational agency shall be filed with or referred to the California Department of Education.

Exhibit(1) 3555 - Nutrition Program Compliance

Exhibit updated to reflect current language of the United States Department of Agriculture Nondiscrimination Statement.

Board Policy 4030 - Nondiscrimination in Employment

Policy updated to reflect **NEW LAW (SB 523, 2022)** which adds reproductive health decisionmaking as a form of prohibited discrimination, and prohibits an employer from requiring an applicant or employee to disclose information relating to an employee's reproductive health decisionmaking.

Board Policy 4218 - Dismissal/Suspension/Disciplinary Action

Policy updated to reflect **NEW LAW (AB 2413, 2022)** which prohibits a district from suspending, demoting, or dismissing a permanent classified employee who timely requests a hearing pending the outcome of that hearing.

Administrative Regulation 4218 - Dismissal/Suspension/Disciplinary Action

Regulation updated to clarify that a classified employee against whom a recommendation for disciplinary action has been issued may remain on active duty or may be placed on paid leave pending a hearing on the charges. Regulation also updated to reflect **NEW LAW (AB 2413, 2022)** which prohibits a district from

suspending without pay, suspending or demoting with a reduction in pay, or dismissing a permanent classified employee who timely requests a hearing unless it is found by a preponderance of the evidence at the time discipline was imposed that the employee (1) engaged in criminal misconduct, (2) engaged in misconduct that presents a risk of harm to students, staff, or property, or (3) committed habitual violations of the district's policies or regulations. Additionally, regulation updated to provide that a district may cease paying an employee if a decision has not been rendered within 30 days of the date the hearing was requested.

Administrative Regulation 5113 - Absences and Excuses

Regulation updated to reflect **NEW LAW (SB 955, 2022)** which includes, as another type of required excused absence, the absence of a middle school or high school student for the purpose of participating in a civic or political event, as defined, provided that the student notifies the school ahead of the absence, and **NEW LAW (AB 181, 2022)** which no longer requires the State Board of Education to update its illness verification regulations as necessary to account for including, as a personal illness excused absence, a student's absence for the benefit of the student's mental or behavioral health. Regulation also updated to clarify that absences for participation in religious exercise or to receive moral and religious instruction are excused, but that in order for districts to receive average daily attendance funding for such absences, the Governing Board is required to first adopt a resolution permitting an excused absence for such purposes.

Administrative Regulation 5131.41 - Use of Seclusion and Restraint

Regulation updated to clarify the limited exception when seclusion and/or behavioral constraint may be used, and to reflect that it cannot be applied for longer than necessary to contain the dangerous behavior. Regulation also updated to include, as appropriate, concepts from the December 2022 Davis Joint Unified School District Resolution Agreement with the U.S. Department of Education, Office for Civil Rights, regarding the use of seclusion and restraint as it relates to a free appropriate public education for students with disabilities. Regulation also updated to add a new section "Documentation of Seclusion and Restraint."

Administrative Regulation 5144 - Discipline

Regulation updated to incorporate **NEW GUIDANCE** from the U.S. Department of Education, Office for Civil Rights, issued to help districts support students with disabilities and avoid discriminatory discipline practices.

Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process

Regulation updated to provide that "suspension" does not include removal from class, as specified, so long as removal from a particular class does not occur more than once every five school days, add definitions related to electronic acts as a mode of bullying, include that a teacher may, in addition to suspending a student from class, refer a student for specified acts to the Principal or designee for consideration of a suspension from school, and clarify that immediate suspension is required for any student found at school or a school activity away from school who committed any of the enumerated acts for which a recommendation of expulsion is required. Regulation also updated to reflect **NEW LAW (AB 740, 2022)** which provides for additional due process procedures for suspension of foster youth and Indian children.

Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities)

Regulation updated to reflect **NEW GUIDANCE** from the U.S. Department of Education's Office of Special Education and Rehabilitative Services, which recommends that districts identify ways to significantly reduce the use of exclusionary discipline and its disproportionate effect on student with disabilities, and the U.S. Department of Education's Office for Civil Rights, which provides that, for a student with a disability under Section 504, schools are required to conduct a manifestation determination before implementing a disciplinary removal that will significantly change the placement of the student due to discipline for (1) removal from class or school for more than 10 consecutive school days, or (2) a series of removals from class or school that together total more than 10 school days in a school year and constitute a pattern of removal. Regulation also updated to emphasize that suspension or expulsion of a student with disabilities be in accordance with Board Policy 5144.1 - Suspension and Expulsion/Due Process, and that when a student with disabilities exhibits behavior which impedes the student's own learning or that of others, the student's individualized education program (IEP) team consider positive behavioral interventions and supports, and other strategies, to address the behavior. Additionally, regulation updated, for conceptual alignment, to move material regarding the monitoring of the number of days of a suspension of student with an IEP, and reflect

NEW LAW (AB 740, 2022) which provides that a foster youth's educational rights holder, attorney, and county social worker, and an Indian child's tribal social worker and, if applicable, county social worker, have the same rights as a parent/guardian to receive a suspension notice, expulsion notice, manifestation determination notice and invitation to the manifestation determination meeting, involuntary transfer notice, and other documents and related information.

Administrative Regulation 6115 - Ceremonies and Observances

Regulation updated to reflect **NEW LAW (AB 1655, 2022)** which adds June 19, "Juneteenth National Independence Day," to the list of holidays on which public schools must be closed and **NEW LAW (AB 1801, 2022)** that adds Genocide Remembrance Day to the list of days districts are authorized to close. Regulation also updated to clarify language regarding days on which schools are required to be closed based on appointment by the Governor or President, and to encourage districts to observe a moment of silence on September 11th Remembrance Day, as authorized by law.

Board Policy 6146.1 - High School Graduation Requirements

Policy updated to reflect **NEW LAW (SB 532, 2022)** which expands and strengthens the exemptions from graduation requirements for highly mobile student populations, and includes a requirement for districts to annually report to the California Department of Education regarding the number of students who, for the prior school year, graduated with an exemption from district-established graduation requirements, as specified.

Board Policy 6173 - Education for Homeless Children

Policy also updated to reflect **NEW LAW (AB 2375, 2022)** which requires districts, regardless of whether they received American Rescue Plan Act of 2021 funds, to annually administer a housing questionnaire for the purpose of identifying students experiencing homelessness, including unaccompanied minors, and annually report that number of students to the California Department of Education (CDE). Additionally, policy updated to reflect **NEW LAW (SB 532, 2022)** which requires districts to annually report to CDE the number of students experiencing homelessness who graduated with an exemption from district-established graduation requirements that are in addition to statewide coursework requirements. Regulation also updated to clarify what factors to consider when determining the "best interest" of the student in enrollment decisions. Additionally, regulation updated to reflect **NEW LAW (AB 181, 2022)** which exempts a student classified as unduplicated from paying a fee for transportation and **NEW LAW (SB 532, 2022)** which provides, when a student experiencing homelessness transfers into a district school, for additional requirements regarding the transfer of coursework and credits, exemptions from district-established graduation requirements, and for the option to remain in school to complete district-established or statewide course requirements. Regulation updated throughout to change language from "homeless student" to "student experiencing homelessness."
